

SEEING ART IN NEW WAYS

Sunday, March 17, 1 – 3pm

MH Art Gallery
42 W Market St, Marietta PA

Did you ever wonder:

- If there are objective ways to assess art
- What judges look for
- How to assess an abstract piece
- What factors determine an artist's choice of subject and style?

These and many other questions will be considered in a special gallery session in which everyone engages with the **50 works now on display in "Light Within."**

Longtime art educator and MAA member, Linda Mylin Ross, (www.lindamylinross.com) will guide participants in analyzing paintings and their own responses to them.
